

Moisture Remediation / Green Concrete Primers

1. **Corro- Cure LV FS** (Ref. No. 602) (Regular Fast Set and Extra Fast Set versions available).
2. **Corro Aqua-Cure** (Ref. No. 612)

Ref. No. 602: 100% solids, 2 part moisture remediation / green concrete primer. Can be applied after initial set. Reduces moisture from 25 lbs / 1,000 SF to under 3 lbs. Reduces construction time of building projects and results in stronger substrates.

Ref. No. 612: Water-based, 2 part moisture remediation / green concrete primer. Can be applied after initial set. Reduces moisture from 15 lbs / 1,000 SF to under 3 lbs. Used extensively as a moisture vapour barrier in the flooring industry.

Note that the above listed primers conform to the ASTM C-884 test - (Thermal compatibility with concrete) making them excellent for environments requiring regular steam cleaning and wash downs.

The formulas listed above represent a selection of Corro-Shield products in this category. For product formulas with specific performance criteria not found in the above listed products, please contact; Sales / Technical Support at 1-800-298-7637 ext. 102 or tech.sales@corroshield.com.
